

Full Body Harnesses

500 & 600 Series

500 Series

The **500 Series** is a favorite for maintenance and light construction. Features include adjustable shoulder, chest, and leg straps, full waist strap, a sliding D-ring in the center of the back (keeps fallen worker vertical in suspension) and light weight, high strength synthetic webbing.

530 – Full body harness with mating buckle leg straps

550 – Full body harness with grommet/tongue buckle leg straps

550B – 550 with hip positioning D-rings

570 – Full body harness with super-quick bayonet buckles on the chest and legs
