

Platform Trucks

Steel & Wood Deck

Model NB-2448-10SR

Cushion Load Platform Trucks with Puncture-Proof Tires

These trucks feature soft, solid rubber tires that can't go flat. With a wide tread and cushion rubber compound, they are well suited for use over rough surfaces, yet easier to move under heavier loads than pneumatic tired trucks. They also require less maintenance than pneumatic tires. Choose all-welded steel construction, or rugged 5/4 hardwood deck. Both with removable cross-bar handle, and 2 rigid, 2 swivel casters.

Model W2448-8PUBK

Wood Platform Trucks Capacities to 2400 lbs

These premium wood platform trucks are built to last, with solid hardwood construction. Deck boards and cross battens are 5/4 oak, and feature chamfered edges. Rugged through-bolt construction, with all hardware plated and bolts counter-sunk to provide a smooth deck surface. Sturdy removable pipe handle is standard with 2 steel cross-braces to help retain big loads.

Platform Trucks

Steel & Wood Deck with Pneumatic Tires

Cushion Load Platform Trucks with Pneumatic Tires

Ideal for transporting fragile loads, and for use over rough and uneven floor surfaces. 4-ply full pneumatic wheels absorb shock and reduce vibration, roll over most minor obstructions, indoors and out. Inflation pressure of tires can be adjusted to provide desired level of cushion.

Medium Duty

Capacities to 1500 lbs

Choose all-welded steel construction, or rugged 5/4 hardwood deck. Both with removable crossbar handle, and 2 rigid, 2 swivel casters.

	30 x 60	NB-3060-V10	139
	36 x 72	NB-3672-V10	159

Options: Wheel brakes - on 8" caster models.
Floor Lock - on steel deck models with 8" casters.

Heavy Duty

Capacities to 2500 lbs

Built for heavier service and larger loads, these pneumatic tired steel platform trucks feature axle mounted load wheels, and heavy service, swivel caster brackets. Larger wheels increase mobility over the roughest terrain, while providing maximum cushioning and protection of fragile loads. High platform minimizes bending when loading or unloading. All tires are 4 ply.
